EX-GOV. OATES.

Kills a Negro Murderer In His Kitchen.

The Negro Had Killed The Cook And Was Advancing With a Pistol On Gov. Oates.

Montgomery, Ala., June 9.—Ex-Gov. Wm. C. Oates shot and killed a negro man in his residence in this city to-night. He heard a pistol shot in his kitchen, and on going to investigate found his cook lying dead on the floor, killed by a negro then in the room. The negro who did the killing then started toward Gov. Oates with his pistol in his hand. The negro not paying any attention to warnings not to advance, Gov. Oates shot and killed him.

COUNCIL MEETS.

No Attempt Made to Appoint a Police Judge.

The City Council held an adjourned session Friday night to transact some unfinished business.

The levy for 1900 was put at the same figures as 1899, 75 cents on the \$100 for general purposes and sinking fund and 50 cents for school purposes on whites. The poll tax is \$1.50 and \$2.00 for school purposes on whites alone.

Three new electric lights were put in—at the Seventh street L. & N. crossing, at the Ninth street crossing and at the I. C. depot.

The new street between Dr. Blakey's and Mr. J. W. Campbell's was accepted by the city and the deeds filed.

Ed P. Fears, Lee Tunks and H. G. Renshaw were appointed firemen to fill the vacancies in the department.

Contrary to expectation the election for police judge did not come up. A majority of the Board claims the Council has power to elect, but they had been unable to agree in caucus on a man and the matter went over.

QUARLES CAPTURED.

Wanted For Wounding With Intent to Kill.

Officers Burns and Morris arrested Jeremiah Quarles, col., Saturday night and locked him up. Quarles is wanted for shooting and wounding another negro near Howell one evening last week. The grand jury will investigate the matter at once.

The wounded man, although shot twice, once in the arm and side and once in the chin—is getting well, and will be able to testify.

OUTCLASSED NEIGHBORS.

Local Team's Easy Victory Over Madisonville Nine.

In the game of ball at Madisonville Friday between the local nine and Madisonville team, Hopkinsville "won in a walk," the score being 17 to 6. Our neighbors were clearly outclassed, but the game proved a very interesting one and was witnessed by a large crowd. A number from this city went down to see the game. C. Eggleston and E. Morris made up the home battery and Jenkins and Tapp that of Madisonville.

ELOPEMENT AT LAFAYETTE.

Clark Ragsdale Runs Off With Miss Lycan.

Mr. Clark R. Ragsdale, of this city, who is in the tobacco business at Lafayette, eloped on Saturday night to Dover, Tenn., with Miss Lycan, a daughter of J. C. Lycan, of Lafayette, the well-known miller. The details of the Dover end of the affair have not been received.

OVER THE STATE.

Thursday's Convention Will Be a Love Feast.

Blackburn, McCreary and McQuown Have Many Instructions For Delegates.

Louisville, June 11.—County mass-conventions were held Saturday all over the State for the purpose of electing delegates to the Democratic State Convention to be held here next Thursday. The delegates selected will hold congressional district conventions Thursday morning, and name two national delegates from each district. The State Convention later in the day will select four men to represent the State-at-large in Kansas City on July 4.

The county conventions were harmonious, and resolutions were generally adopted indorsing W. J. Bryan and the Chicago platform. In instructions for delegates-at-large Senator-elect J. C. S. Blackburn, ex-Gov. James B. McCreary and Mr. Louis McQuown seem to have a good lead. Only in Franklin and Campbell counties were there any disturbing features, local issues causing disagreements.

DEATH OF MISS WEST.

Succumbed to Attack of Consumption, Resulting From Pneumonia.

Miss Myna Mai West, daughter of Mr. W. C. West, died at her home on West Nineteenth street Friday afternoon, after an illness of seven weeks, of quick consumption. She was twenty-three years old and universally popular.

About ten years ago she had diphtheria and for many weeks it was thought that she would not recover, but she finally rallied. One lung refused, however, to thoroughly yield to treatment and this had since given her much trouble. The last week in April Miss West was attacked with pneumonia, resulting in consumption, which caused her death as stated above.

She was a member of the Baptist church and the funeral was preached at her late residence by her pastor, Dr. C. H. Nash, at 9 o'clock Sunday morning. The interment followed at the brick church, near Sinking Fork, at 11 o'clock.

DIED IN FLORIDA.

Remains Brought to Christian County For Interment.

Mrs. R. A. Lovier, a daughter of the late Thaddeus Wright, of Sinking Fork, this county, died at her home in Lake City, Fla., last Thursday night, after a long illness. She leaves a husband, two sons and a daughter. The remains arrived in this city Saturday night and were laid to rest in the family burying ground, near the Brick Church, Sunday morning.

Mr. Lovier formerly lived here, but he moved to Florida about four years ago, where he is engaged in the jewelry business.

AFTER BRIEF ILLNESS

Son of Mack Hall Succumbs to Bowel Trouble.

Robt. Hall, the year-old-son of Mr. Mack Hall, died at the home of its parents in this city Thursday night, after an illness of two weeks, of bowel trouble. The remains were laid to rest in the Johnson grave yard, just northeast of the city, Saturday. Mr. and Mrs. Hall have the sympathy of a host of friends in the loss of their little son.

Died in Hopkins.

Mrs. Mattie L. Littlefield, of Morton's Gap, died Saturday of consumption. Her body was brought here Sunday for interment.

DEMOCRATIC TICKET

For Congress, Second District.
HON. HENRY D. ALLEN.

The Lewis and Beckham forces had a trial of strength in the Franklin county convention Saturday and the young governor won an easy victory over the old general.

Editor A. J. Casey is at the head of a stock company that has bought the Guthrie Graphic. Mr. Casey has conducted papers in Russellville, Owensboro and other places.

Urey Woodson has a lead pipe cinch on reelection for National Committeeman. If any Democrat in the State is opposed to him, he has not made public his opposition.

Hon. B. P. Shively, of Indiana, is said to be on the preferred list of Democrats who are to be considered as Vice-Presidential timber. Henderson county Democrats got in on the ground floor of his boom Saturday by instructing for the Indiana statesman.

A year ago Judge Jas. P. Tarvin was making a red-hot race for Vice-President. Last Saturday he was put on his home delegation as a matter of courtesy, with his hands securely tied. The Judge was one of the Democratic leaders who failed to make a flat track last year when the fight for Democratic supremacy in Kentucky was on.

Dr. John D. Clardy, of this county, has received a good many letters from prominent Democrats urging him to run for Governor. Last week he received one from Mr. Geo. N. Jesse, of Washington, pressing the matter upon him. Dr. Clardy will under no circumstances be a candidate. He has no desire to re-enter politics. He is now past 70 years of age and the measure of his political ambition, as he now feels, has been filled. He desires to end his useful and honorable life in peace and quietude on his fine country estate and he cannot be tempted to leave his farm. This much is written by authority and let it be understood once and for all that Dr. Clardy will not again be a candidate for any elective office.

Hon. Jas. D. Black, of Barbourville, Knox county, who is one of the four formally announced candidates for Governor, is one of the strongest leaders of the Eleventh district. He is a lawyer of recognized ability and a speaker of force and eloquence. In 1893 he served on the Kentucky State Board of World's Fair Commissioners with Dr. J. D. Clardy and Hon. John W. Yerkes, the present Republican candidate for Governor. Every Kentucky visitor to Chicago remembers the affable, genial gentleman who was always on hand at the Kentucky building to extend courtesies to all alike. Judge Black is about 50 years of age, has dark hair, eyes and moustache and a pleasant address. He is a "good mixer" and has the knack of making friends wherever he goes. He will be a leading factor in the coming contest.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven that it is a constitutional disease, and therefore requires constitutional treatment. Little's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surface of the system. They offer one hundred dollars for any cure it fails to cure. Send for circulars and testimonials.

CIRCUIT COURT.

Eighteen Indictments Returned by The Grand Jury.

The following indictments were returned Saturday:
John Danca, rape.
Leslie Oldham, murder.
Everett Paughander, seduction.
Lewis Major, receiving stolen property 2 cases.

Gano Lacy, c. d. w.
Chas. Hollinsworth alias Peg Leg, a. l. w. 1. 3 cases.
Jno. H. Kling, same.
T. W. Wooten, same, 2 cases.
Walter Whitfield, same.
Tobe Carroll, same, 2 cases.
Tom J. Moore, same, 3 cases.
Chas. Hampton, col., charged with breaking into an office, was tried and given one year in the penitentiary.

Hugh Waggoner charged with assault, not indicted and released from jail.

Nine commonwealth cases, old charges, dismissed.

Case of Commonwealth vs. Major Gaither, malicious shooting, was filed away, Gaither being in the penitentiary on another charge.

The murder trial of John Robertson, for killing his brother, Geo. Robertson, col., at Crofton, was taken up Friday. T. L. Yonts, Frank Cayce, John Sergeant, Wm. Henderson, E. J. Faulkner, G. H. Boyd, H. H. Lindsay, Lee Witty, W. S. Witty, H. C. Myers, S. E. Chastain and J. J. Bowen were empaneled as a jury to try the case.

The trial occupied two and a half days. The main trial is a Crofton negro who shot and killed his brother, George Robertson, a colored school teacher, shooting him in the back with a shot gun. It is one of the worst murder cases that has been on trial here for years. Robertson was defended by John Feland and Esq. Geo. H. Myers, who spoke Saturday, and by C. H. Bush, who closed for the defense yesterday and was followed by Commonwealth's Attorney Howell, who concluded a very strong prosecution and gave the case to the jury at noon.

STAMP TAX DECISION.

Test Case Sent Up From Cleveland, Ohio.

The Commissioner of Internal Revenue has ruled that one special tax stamp taken out by a retail liquor dealer for his building covers his sales of liquor by retail at any number of bars in rooms or on premises belonging to that building. The case came to his attention on the inquiry of Collector McCord, of Cleveland, Ohio, on his report that a retail liquor dealer had a bar on the first floor and also in the basement of his premises.

The Chinese Boxers who are about to bring on the long-expected European war over the dismemberment of China, are a set of pig-like fighters who use their fists and clubs to mistreat and often to kill missionaries and other foreigners, with the tacit approval of the old bawager Empress, now 65 years old, who two years ago took the reins of government out of the hands of the young Emperor. The Empress is making a feint at suppressing the Boxers, but all of the nations are sending forces of their own, for the present at least acting in concert, to look after their own interests. The United States has ordered several warships to the scene. The danger to be feared is an outbreak between Russia and Japan.

STRIKE GROWS WORSE.

Three Men Killed in a Riot Sunday.

St. Louis, Mo., June 11.—The St. Louis street railway strike grows from bad to worse. Gov. Stephens has put everything in readiness to call out the military, which he will do as a last resort. The record of bloodshed yesterday was the worst since the strike began, over a month ago. Three men were killed—two of them strikers—by Deputy Sheriffs, and four men were wounded, two of them strikers. A rumor that proceedings are to be begun to oust Mayor Zeigheim for failure to perform his duties in connection with the strike is denied by Attorney General Crow.

Frankfort, Ky., June 10.—There are likely to be developments in the prosecution against William S. Taylor either to-morrow or Tuesday. He said he had not conferred with the local officials about the matter yet, but would do so at once, and it is understood a requisition will be applied for. Justus Goebel and T. C. Campbell, who were here several days last week conferring with Prosecuting Attorney Franklin, returned to Cincinnati last night.

IMPORTANT DECISION.

Court of Appeals Passes On Rate Discrimination Cases.

The Court of Appeals passed on five cases from Marion county, involving indictments against the L. & N. Railroad Company for discrimination in freight rates, and decided in favor of the railroad. The Court was decided, Judges Hazelrigg, Burnam, Durelle and Hobson concurring in the majority opinion, while Judges White and Guffy concurred in Judge Paymaster's dissenting opinion. The majority opinion holds that when a railroad hauls wheat to a mill and flour from it, there is no discrimination if the railroad hauls the same mill its fuel at a less rate than it charges other persons in the same town.

How He Secured The Coveted Appointment

Was An Original Goebel Man—Is 47 Years of Age And Has a Family.

The news of Dr. McCormick's appointment was received with great satisfaction by his professional and personal friends in Owensboro, says the Messenger.

Dr. McCormick was never an applicant for the place. The offer of it first came from Mr. Goebel, although unsolicited and as a surprise.

Then Mr. Goebel was killed and Mr. Beckham succeeded to the governorship. He announced that he would endeavor to follow Mr. Goebel's intentions in matters of public policy and appointments. He was told of Mr. Goebel's intentions as to Dr. McCormick by Mr. Shackelford and Mr. Woodson. Dr. McCormick had concluded that he was willing to take the place but he filed no formal application nor any endorsements. While other physicians, with their influential friends, were going to Frankfort and beseeching the governor, McCormick remained at home, and only one or two of his confidential friends knew he expected the place. Some of the most influential politicians of Daviess county wrote letters of endorsement of other physicians, not knowing that their own townsman was under consideration.

A few weeks ago the governor requested Dr. McCormick to come to Frankfort and see him. He went. Since that time there has been but little doubt in the minds of his friends that he would be appointed. On Wednesday he was again summoned by the governor to Frankfort. He went up yesterday and received his commission, returning last night. As soon as he can wind up his affairs here he will go to Hopkinsville and take charge of the asylum.

Dr. Enos B. McCormick is forty-seven years old. He is a native of Daviess county and began the practice of medicine at Masonville. For ten or twelve years he has been a resident of Owensboro, where his practice has steadily grown until he is regarded as one of the foremost physicians of the city. He stands high in his profession, both among the other physicians and the people. It is the universal belief among those who know him that he will make a most successful superintendent.

statement of the income taxer Dr. McCormick has a wife and three children.

The superintendents of the insane asylums are paid a salary of \$2,000 per year, and furnished living apartments, in the executive wing, with board for themselves and families.

The receiver will be another Owensboro man—J. C. O'Bryan. Mr. Goebel had no more faithful or efficient friend in this county than Bud O'Bryan, and he appreciated it. In one of the last letters Mr. Goebel ever wrote Mr. Woodson he said, in a postscript: "We must not fail to take care of Bud O'Bryan." Shortly before he died it was agreed that Bud should be the Hopkinsville receiver, and some weeks ago Gov. Beckham wrote that he would make the appointment. The receiver receives and keeps a check upon the supplies purchased by the steward.

Dr. D. E. Bell, of Gracely, was an applicant for this position and his friends believed until the appointment was made that he would win the place. He was tendered another position in the asylum by Gov. Beckham in the event another was appointed Superintendent, but the appointment has not yet been made.

Dr. McCormick is expected to come to the Asylum one day this week, probably today, and remain only a day or two. He will not return to enter upon his duties for ten days or two weeks.

BECKHAM'S STATUS.

He Is In Reality Lieutenant Governor and Not Governor.

Many questions have been asked as to the status of Gov. Beckham, since the decision of the Supreme Court. Is he Governor or is he Lieutenant Governor? Will there be a Governor elected this fall? What is the status of the Republican Lieutenant Governor, Mr. Marshall? If Beckham should run for Governor and be elected, would Marshall be Lieutenant Governor or who would serve in that capacity? Can Beckham succeed himself as Governor?

Notwithstanding the decision of the Supreme Court, Gov. Beckham is not in reality Governor, but is Lieutenant Governor and acting Governor, and consequently is eligible to succeed himself. There is no provision in the Kentucky law as to filling vacancies in the office of Lieutenant Governor.

If Beckham should be the Democratic candidate for Governor and should be beaten in November, he would be acting Governor until his successor should be installed in December, and after that time he would be Lieutenant Governor until the end of the term. If he should be elected, there would be a vacancy in the office of Lieutenant Governor, with no provisions for filling it. The president officer of the Senate, at present Senator Carter, of Anderson county, would perform the duties of Lieutenant Governor. Mr. Marshall is entirely out of the game since the decision of the Supreme Court, and is simply a private citizen, like the rest of us.—Winchester Democrat.

Mr. John H. Harrison, of Virginia, who spent several days last week with his brother, Dr. Edmund Harrison, left Saturday for his home, not far from Richmond.

COUNTY CONVENTION.

Enthusiastic Gathering Of Democrats Held Saturday.

List Of Delegates Appointed—Instructions For State And District Delegates.

The Democrats of Christian held a very harmonious convention Saturday afternoon. The meeting was in the City Court room, as Judge Cook was in the midst of an important murder trial and could not adjourn court. Chairman Garrett called the meeting to order and on a motion was elected chairman of the convention. No committees were appointed, the resolutions being offered from the floor.

On motion of Mr. Hunter Wood the chairman was authorized to appoint 16 delegates and 16 alternates to the Louisville convention, the delegates to vote as a unit.

On motion of Mr. Geo. V. Green the delegates were instructed to vote for Chas. M. Meacham for district delegate and for Jas. B. Allensworth for district elector.

On motion of Judge Geo. F. Campbell, instructions were given for Jno. K. Hendricks, Jas. B. McCreary, Louis McQuown and Chas. B. Poyntz for delegates from the State-at-large.

The chairman then announced the following list of delegates:

Delegates: Alternates:

W. J. Chiles, J. T. Wall, Dr. J. D. Clardy, W. L. Parker, J. B. Allensworth, John Childress, Chas. M. Meacham, Jamie Garrett, Geo. F. Campbell, Albert Kelly, A. W. Wood, W. H. West, Gordon Nelson, A. B. Long, W. A. Wilgus, Edgar Elgin, Dr. W. Lackey, Buckner Leavell, J. J. Henry, W. W. Radford, M. F. Crenshaw, Albert C. Cox, W. C. Bell, R. Y. Pendleton, Jr., Ed C. Waide, Phil Gaither, J. T. Hanbery, John Chilton, Jeff Morris, W. T. Vaughn, C. H. Bush, R. M. Hurt.

Stirring speeches were made by Dr. J. D. Clardy, Judge Geo. F. Campbell, and Mr. Jas. B. Allensworth and the convention adjourned.

NEW DEPOT.

The Illinois Central Will Erect A New Freight Building.

The I. C. Railroad Company is preparing to make some very extensive improvements on the river front. The vacant space between the railroad and the river is now being graded and raised and several new side tracks will be put down. But the most important improvement will be the erection of a large new freight depot covering almost the entire square between the present depots. This will more than double the road's freight capacity and bring the agent's office close to the passenger depot, which will itself be a great convenience.

Many "Treshes" Contain Five Dr. Stites Will Use One to Illustrate His Remarks.

Several farmers in South Christian commenced yesterday to harvest their wheat and by the last of the week the work of cutting will be pretty general. The heads of the wheat are of average length and are said to be above the average in number of grains to the "mesh," some of them showing four or five. Much of the heavy wheat has been badly bedded by the continued wet weather and some of this, especially in the bottom lands, will be lost. It is claimed by some that wheat damaged by the Hessian fly was greatly benefited by the rains. This being true the loss by "bedding" will probably be offset. While there has been some complaint of rust, it is not believed that the grain has been damaged to any great extent.

It is estimated that this year's crop will run from fifteen to thirty bushels to the acre.

With good weather for harvest and threshing new wheat will be on our market in about two weeks.

HOMING PIGEONS.

Fifty Carriers Made a Dash For Alexandria, Ind.

Mr. C. O. Crowe, agent of the American Express Company, on Sunday morning released fifty homing pigeons from Alexandria, Ind., received the night before. They lost but little time in starting out due north. Alexandria is about 350 miles north and the birds were expected to cover the distance in about five or six hours. One of the pigeons, whose band number was 66, seemed to be an old hand at the business. He pushed his way to the door of the coop, was the first bird out and after circling around once took the lead considerably in advance of the others. A report of the arrival of the birds had not been received by Mr. Brown yesterday.
